

2020

A stylized champagne glass is positioned in the center of the image. The bowl of the glass is divided vertically: the left half is white and contains several small red snowflake icons, while the right half is red and contains several small white snowflake icons. The stem and base of the glass are white. The glass is filled with a bubbly liquid, represented by white and red wavy lines that rise from the bowl and spill over the rim, forming a large, stylized 'V' shape that frames the year '2020' above it.
